1. DO NOT DRY CLEAN
2. DO NOT IRON
3. DO NOT WASH IN HOT WATER
4. DO NOT USE CHLORINE BLEACH
5. DO NOT USE FABRIC SOFTNER
6. DO NOT WASH COLORS AND WHITE TOGETHER
7. DO NOT OVERLOAD WASHING MACHINE
8. DO NOT MACHINE DRY ON HIGH HEAT
9. DO NOT LEAVE WET OR DAMP GARMENTS IN AN EQUIPMENT OR TRAVEL BAG.
10. DO NOT LEAVE IN A PILE WITH OTHER CLOTHING OR EQUIPMENT
11. DO NOT LEAVE IN A WASHING MACHINE FOR PROLONGED TIME.

Uniforms should be laundered immediately after wearing. Any contrasting color items are to be washed separately (only wash like colors together; belts and other equipment should be washed separately). Garments are to be washed and rinsed in cold water with mild detergent. For best results use a spray and wash additive to remove stains. Garments are to be removed right after wash cycle is complete. For best drying result, hang dry. If hang drying is not possible, dry on lowest possible dryer setting. Jerseys should be turned inside out before machine drying. Remove garments immediately from dryer upon completion of dryer cycle. Store garments in dry area.

These guidelines and suggestions are provided as a service of Siege Sports and are meant as a helpful resource.

SIEGE WILL NOT BE RESPONSIBLE FOR UNIFORMS THAT ARE DAMAGED DUE TO IMPROPER CARE. FAILURE TO FOLLOW SUGGESTED CARE INSTRUCTIONS WILL VOID ALL GUARANTEES.
