

Hello Alki Girls Basketball Players and Families,

We're looking forward to the upcoming season starting this coming Monday, October 23rd. The season will end on December 13th, or slightly before, depending on the last game of the season. Tryouts will occur the first week of the season, October 23-27.

All 7th grade players will have practice during this first week from 4:00-5:30 pm. All 8th grade players will have practice from 7:15-8:45 am during this first week. Coaches will let athletes know if they are on Varsity or JV at the conclusion of the first week of practice. There are no cuts for middle school sports, all athletes will make either the Varsity or JV teams.

Starting the second week of the season, our 8th grade Varsity team will have practice in the morning from 7:15 - 8:45 am. Our 7<sup>th</sup> grade Varsity and all our JV teams (7th and 8th grade) will practice after school from 4:00 to 5:30 pm starting the second week of the season and running through the end of the season.

We will have a girls' basketball parent meeting on Tuesday, November 7th at 5:30 pm in the Alki commons. Picture day for all basketball teams will be that same day, Tuesday, November 7<sup>th</sup> during practice.

Games will be on Monday/Wednesday/Friday, with the first potential game scheduled for Wednesday, November 8th. The Athletic Directors from all VPS schools will be meeting on November 2nd to generate the season schedule. We will send out the schedules as soon as they are created and have them posted to our website.

Please let me know if you have any questions.

Scott Sartorius

Thank you,  
Scott Sartorius
