WHERE OUR LEGACY IS VALUING EVERY STUDENT

## **GREETING**

Happy Friday! We made it to spring break! I still find it hard to believe both how fast this year has gone, and how strange it has been. I am sure I have written and said multiple times now how this past year has been something I never thought I would face as an educator. Through it all, I have seen people learn, grow, cope, and adapt to the challenge of our time. While I realize not everyone has time off during our spring break, for those of you who do I hope you are able to relax and enjoy it. I know I hope to!

## **PARENT CONFERENCES**

Earlier this week we sent out a message with details for signing up for parent conferences. Conferences will be held on Thursday, 4/15 from 2:00-4:30, and from 5:30-8:00, as well as Friday, 4/16 from 8:00-11:00. There will be a 2 hour early release on Thursday, 4/15 and students will be finished with class at 1:30 whether remote or in person. Friday there is no school. Teachers will share information on accessing Zoom links for those of you who are signed up for a conference. The focus of our spring conferences is to support students who are continuing to struggle to engage in school. You can sign up through Skyward for a conference time with any of your child's teachers. ## **COVID FLOW CHART UPDATES**

Due to ongoing guidance from the CDC and local health department, we have updated the Covid Flow Chart documents in the [Hybrid Playbook](#). The flow chart gives you guidance for determining when to come to school, when to quarantine, what to do about vaccinations, etc. I encourage you to review it and use it as a guide when we come back from spring vacation.

## **TRACK**

Don't forget we are offering track to all students this spring! Practices and meets will be aligned to the days cohort attend school, so cohort A students will practice and do their meets on Monday and Tuesday, and cohort B students will practice and do their meets on Thursday and Friday. Practices will start April 19th for cohort A and April 22nd for cohort B. You can go online to sign up through Family ID on our school website.
