ALKI WEEKLY UPDATE 5-21-21

WHERE OUR LEGACY IS VALUING EVERY STUDENT

GREETING

Four weeks to go. I always marvel at this time of year the way the weather changes so much so quickly, and how fast time seems to fly by. It is a busy time of year under normal circumstances, but this year has raised the bar! It has been great to see the student athletes competing in track and get a little more feeling of normal with more students back in the building. If we can just avoid the rain drops, hail storms, and wind from time to time, we can get through track and finish the year on a high note.

iREADY SPRING TESTING

We started our annual spring iReady testing this week, and will continue it for the next few weeks. It is really important students do their best on this assessment so we can get accurate results about where our students are in their learning. Here's the schedule:
