WHERE OUR LEGACY IS VALUING EVERY STUDENT

Greeting

Happy Friday to you! One more week to go until spring vacation! The last weeks of March can be a challenge for everyone as we are looking ahead to a vacation, while still finishing the marathon stretch of school from January through March. People are tired, anxious, and on edge sometimes at this time of year. Hang in there folks! A break is coming. I hope you have some amazing plans to look forward to. Enjoy your weekend.

Spirit Week Information

Leadership students have planned a spirit week for next week as a way to lift some spirits going into spring vacation. Here is some information for you about the plans:

Dress up Days

- Monday: Monochrome Day dress all in one color
- Tuesday: Jersey Day or dress up as your favorite character from a movie, book, video, etc.
- Wednesday: Neon day
- Thursday: Country vs. Country Club (Western wear or what you would wear to a golf course)
- Friday: Color War (Staff: Alki wear or colors, 8th grade black, 7th grade, white, and 6th grade blue)

Friday afternoon we will have a whole school social where students can choose a space to go to for a variety of activities. On Monday 8th graders will sign up for an activity during 1st period right after announcements. On Tuesday 7th graders will sign up and 6th graders on Wednesday. Sign ups will remain open through the 31st. They will receive the link via email. This is instead of a spirit assembly, which we have not been cleared to do yet with the current Covid guidelines.

Report Cards and Honor Roll

- 2nd trimester Report cards were sent home with students today.
- Students who made honor roll will celebrate with bingo the afternoon of Thursday, April 14th
- Overall, 54% of our students made honor roll for 2nd trimester. This is a 9% increase over last year 2nd trimester.

Congratulations to all 347 students who made the honor roll this trimester!
