WHERE OUR LEGACY IS VALUING EVERY STUDENT

## **Greeting Aki families,**

It is the second to last Friday of the year! I often forget how busy the month of June can be with all of the end of year preparation and activities going on. I have a daughter graduating from high school this year, so we have been even busier with graduation activities. Just a few more weeks. I hope you are able to maintain some balance in the midst of all the craziness!

M

## **iPad Turn In**

- As you may know, students will NOT be getting iPads next year. Instead, each student will be issued a new laptop as their 1:1 device.
- That means we need all students to turn in their iPads this spring. We are planning on all iPad turn in occurring on Wednesday, June 8th for 7/8th grade students, and Thursday, June 9th for all 6th grade students. 7/8th grade students going on the field trip on June 8th will turn in their iPads June 9th
- Please help your child make sure they have their brick and cord and are ready to turn their iPad in on the designated days

## **Boundary Exceptions**

- If your student is currently on a boundary exception, you are now required to submit a new one each year. This is a change from last year.
- This can be done electronically on the district website.
- Please call Student Welfare and Attendance at 360-313-1330 if you need any assistance.
- Boundary exceptions are approved in the order in which they are completed and must be completed by June 10, 2022.
