WHERE OUR LEGACY IS VALUING EVERY STUDENT

OCTOBER 2022

Greetings Alki families,

As we near the end of the first month of school, I hope your family is settling into your routines for back to school. I know for our family buying a house, starting college, starting school, back to school nights, curriculum nights, etc. has made it feel like a very busy fall so far. At the same time, I see signs of cooler weather and changing leaves and it gets me excited for all that fall has to offer.

Start of school is always a busy time, but now that school is well under way, it is important to check in on how our students are doing with their school work. The demands of life and the balance of work and family has never been more challenging, yet it is critical that we take the time to check in on our kids. Parent Access is a great way to see what is going on academically with your child at school. If you have not already done so, I strongly encourage you to sign up. Stop by the main office if you need help signing up. Even better, get your child in the habit of monitoring their own progress and sharing it with you! They should be able to log in to Skyward and show you how they are doing, which can lead to a great conversation about the things that are going well and the things they need to work on.

Thank you to all who showed up at our Back to School and Open House functions. It has been great to see the energy created by families walking our hallways in some cases reconnecting with Alki after a summer break, and in some cases getting to know Alki as a new family to our school. While these events are great for getting acquainted, a more in depth conversation about how learning is really going can be done at our upcoming parent conferences. Conferences will run on Thursday, 10/20 from 4:00-8:00 p.m. and Friday, 10/21 from 8:00-12:00 noon. More information will come out soon about how to sign up or schedule a conference.

I know the forecast is for summer weather over the weekend, but make no mistake we are well into fall schoolwise. We are working hard to create a kind, caring, respectful school that is focused on high levels of learning. Thank you for your partnership in supporting our kids to be as successful as they can be.

Empowering students to create a better world,  
M.

## News from the Counseling Center

### Meet the Counselors

Greetings Alki Families! We are fortunate at Alki to have three school counselors, each serving one grade level to meet student needs.

### Second Step Lessons beginning October 3:

In the month of October, students will begin to engage in social emotional learning lessons focused on goal setting and having a growth mindset. In Unit 1, "Students learn how to develop a growth mindset and apply research-based goal-setting strategies to their social and academic lives. This unit's content helps create classrooms that are connected and encouraging by helping students set and achieve collective and personal goals, learn from challenges, recognize their personal strengths, and explore the unique aspects of their identities (secondstep.org/middle-school-curriculum)." Lessons will be delivered on Monday mornings in an extended first period.

### Our City Cares:

You may have started to notice signs with messages of hope popping up along the Alki and Skyview campuses. A number of community partners have come together to provide Signs of Hope to remind our students "Our City Cares," along with a phone number for help. Read more: <https://ourcitycares.org/>

### Your school counselors this year are:

Patti Kelly, 6th Grade:  
[patricia.kelly@vansd.org](mailto:patricia.kelly@vansd.org)

Ryan Wagoner, 7th Grade:  
[ryan.wagoner@vansd.org](mailto:ryan.wagoner@vansd.org)

Lindsay Andreotti, 8th Grade:  
[lindsay.andreotti@vansd.org](mailto:lindsay.andreotti@vansd.org)

### What does a school counselor do?

School counselors are certified/licensed educators who improve student success for ALL students by implementing a comprehensive school counseling program.

School counselors design and deliver school counseling programs that improve student outcomes. They lead, advocate and collaborate to promote equity and access for all students by connecting their school counseling program to the school's academic mission and school improvement plan.

School counselors support the academic, college/career and social and emotional growth of all students at Alki. We use a data driven approach to identifying and supporting individual and small group needs. If your student is experiencing a barrier to their education in these areas, please feel free to reach out to us.

### Unity Day:

Alki will be participating in Unity Day on Wednesday, October 19, 2022. We will be wearing orange "to show unity for kindness, acceptance, and inclusion and to send a visible message that no child should ever experience bullying." <https://www.pacer.org/bullying/nbpm/unity-day.asp>

## MAKE SCHOOL COUNT: ATTENDANCE MATTERS, YOU MATTER

Attending school regularly helps children feel better about school and themselves. Building this habit starts with the first day of school so they can learn right away that arriving at school on time, every day, is important. Good attendance is critical to school success. The parent is expected to notify the school of the reason for the absence within three (3) school days.

To excuse an absence at Alki Middle School:

- A written note by Parent/Guardian stating the date(s) and reason for the absence.
- Call the attendance line at 360-313-3220
- E-mail Attendance Clerk at [AlkiAttendance@vansd.org](mailto:AlkiAttendance@vansd.org)
- Skyward Family Access request for student absence

### Absences can be excused for the following reasons:

- Illness (a doctor's note is required after 5 absences)
- Health care appointments (as much as possible, try to schedule these outside the school day)
- Emergencies
- Religious activity
- Pre-arranged approved activity (family vacations **must** be pre-arranged to be excused)
- Family Related

All absences, whether excused or unexcused, become a problem for student success. At five unexcused absences within the school year, the "Unexcused Absence Report and Agreement" begins. Ten or more unexcused absences within the school year will result in the school district enforcing the compulsory school attendance law through truancy court.

When picking up your student from school it is required by VPS to have your ID ready and you must be on the student's approved pick up list.

Parents can now "Request an Absence" for their student. This can be done through Skyward Family Access.

### **\*\*Notice\*\***

**Due to the importance of student's academic class time and school safety, students will not be excused from class until Parent/Guardian is in the office to sign them out.**

Please review Alki's Tardy Policy:

- \* 1st Tardy - Verbal warning
- \* 2nd Tardy - Written warning sent home with student and parent is notified by teacher
- \* 3rd Tardy - Written warning sent home and detention assigned by teacher
- \* 4th Tardy - Referral to the office for his/her total and discipline will be assigned. Parent is contacted by Administrator.
- \* 5th Tardy - Referral to the office for After School Detention. Parent is contacted by Administrator.

# VPS Is Hiring!

Free meals will be available to all K-12 students again this year! Meal payments online or by cash or check will not be collected by schools.

Free or reduced-price meal applications will not be collected this year. We do ask that **all** of our families complete the Family Income Survey. This survey provides your child's school a way to collect household income information. This information makes sure your child's school receives the full amount of federal and state funding and makes sure your child receives services they are entitled to when free/reduced price applications are not collected.

If you have not already completed the survey, you can also obtain a copy in the school office. Please return completed paper surveys to the school office.

Parents and guardians need to complete only one survey for all school-aged children in their household. For further Information, please call 360-313-1190 or email [nutrition.services@vansd.org](mailto:nutrition.services@vansd.org).

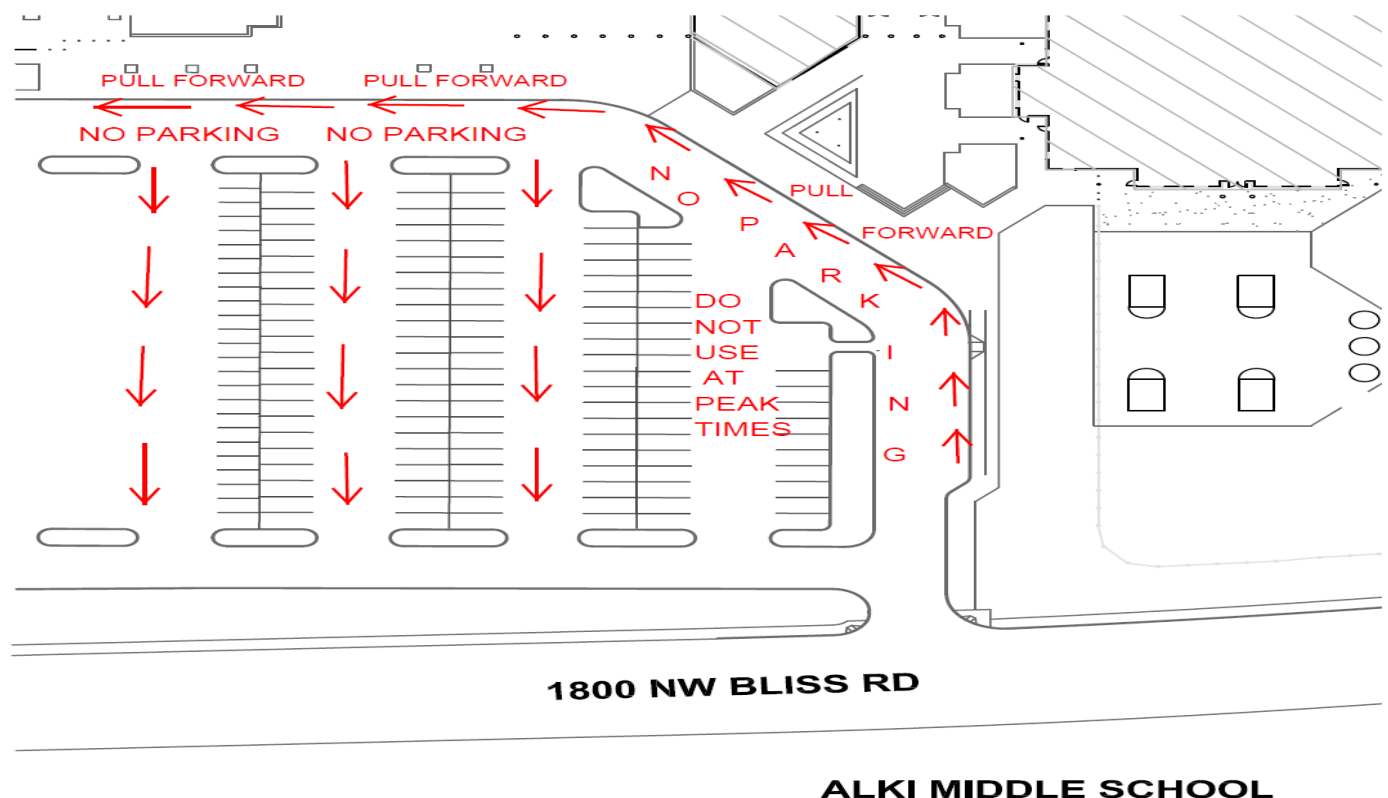

## PARKING LOT SAFETY- Parent Drop off and Pick-up

Dear Alki Families:

In order to minimize hazards to students we are asking drivers to follow these procedures to ensure a safe pick up and drop off in the Alki parking lot:

- Pick up time in the afternoon is 3:30-3:40
- Please only travel east to west in the driveway when picking up and dropping off, then turn left to head south toward the exit, avoiding the first aisle.
- Pull as far forward as possible and continue doing so as cars pull out. We will be asking students to wait further west on the sidewalk rather than in front of the office.
- Form ONE line next to the curb when waiting in your car. Do not stop in the middle of the driveway to pick up or drop off your student.
- Remain in your car unless you are parked in a parking space
- Please find a parking space if there is no room along the curb. Students will be asked to use the cross walks to get to the parking area.
- Do not park or stop your car in front of any ORANGE CONES.

Please be aware that school zone traffic laws are in effect all year. Watch for the yellow flashing light and remember to slow down—20 miles per hour—and stop at crosswalks whenever students are present. Use caution when entering and parking in the Alki parking lot.

## **FREE - After School Fall and Winter Dance Sessions**

Each session lasts eight weeks, so students receive eight hours of extracurricular dance education.

During the program students hone their technical and creative skills as dancers. Students in the program are able to learn specific styles of dance.

Not only do students get to explore the technique of dance, but they also have the opportunity to create dances with other students. Students are encouraged to collaborate while exploring and choreographing based on various stimuli. It is an amazing experience for students to work with students from other schools who share their love for dance.

At the end of the sessions the students have a chance to show their families what they learned and perform to a real audience.

The program is open to students in grades 3-8. Classes are one hour once a week. Students should wear comfortable clothing that allows them to move freely. Special dance shoes are not necessary, but students may wear them if they wish.

### **Fall Session Dates:**

Monday, September 19, 2022 – November 7, 2022

5:00 - 6:00 pm

Vancouver School of Arts and Academics

### **Winter Session Dates:**

Monday, January 23, 2023 – March 20, 2023

5:00 - 6:00 pm

As we begin the new school year, we are in desperate need of a PTSA President or two Co-Presidents, a Co-Vice President, and a person willing to be a co-Treasurer. We are unable to provide for our children and staff here at Alki without a proper Executive Board.

Middle School PTSA is not as time consuming as elementary PTSA. The Executive Board meets once a month and there are 3-4 General Meetings a year. There are several committees but most of those are only utilized once or twice a school year.

Please consider joining the Executive Board or chairing one of our committees. If you have any questions about the board, duties or committees, please do not hesitate to contact Andi Shepherd at [alkigivingtree@gmail.com](mailto:alkigivingtree@gmail.com).

Sincerely,

Victoria Gettys

Vice President
